Up Top Shop  Each December, members of the Club receive the opportunity to participate in our annual Up Top Shop to kick off their holiday shopping for family, friends and even themselves!

Through the month of November, Club supporters donate a wide array of new and gently used items ranging from holiday décor to coffee mugs to Barbie dolls to sleeves of golf balls.

At the Up Top Shop, Club Kids are able to browse through all the gifts which are all priced at .25 cents per item! This provides many children with a chance to shop for the entire family when they otherwise might not be able to do so.

After the members have selected and paid for all of their gifts, the ladies of the Club’s Auxiliary are on-site to wrap everything right away!

The whole holiday experience comes full circle when members are then treated to cookies and punch, thanks to the Auxiliary, and even have a chance to chat with Santa. We love spreading holiday cheer at the Club!

Leaders in the Making  During the fall semester the Club members in the Jr. Staff program have been provided the opportunity to explore different career options.

The members researched what steps they may need to take after high school to obtain a specific career, and also looked at salaries of different professions. The Jr. Staff members practiced filling out job applications and conducted mock job interviews.

As a member of Jr. Staff, youth get the opportunity to shadow Club staff during after school hours. While shadowing, the members take notes on the qualities that make a good employee.

Kariah (pictured at left) enjoys shadowing and helping the front counter staff at the Club after school. She hopes to one day become a realtor after college.

- Wendy Casteel, BGCN Unit Director
