97% 97% of teen members expect to graduate from high school and 85% expect to complete some form of post-secondary education. Our Power Hour and Diplomas 2 Degrees programs keep our members on the right track with their academics and helps them set goals for the future.

61% 61% of Club members report getting at least one hour of physical activity five or more days per week. Triple Play focuses on the mind, body, and soul. The program targets healthy eating and maintaining an active lifestyle.

62% 62% of our teen members volunteer in the community at least twice per month. Our Keystone Club is a leadership group that plans their own activities and projects which emphasize service, fundraising and citizenship.

MISSION

The Boys & Girls Club is dedicated to inspiring and enabling all young people to reach their full potential as productive citizens, by promoting academic success, leadership, character, health, and physical development.

Club Community Center Camp Crosser

We provide opportunities for children and teens to enjoy activities and experiences that meet their needs and interests while shaping character and offering new perspectives.
